

Question 1: Do you agree with Ofcom's proposed changes to the way we collect data, and do you have further comments?:

Yes. Sub-titles are important for those such as myself who are hard of hearing or deaf especially if the speech is soft and/or in an unfamiliar accent, They are also important when speech is impossible to hear due to background music or other noise.

Question 2: Do you agree with Ofcom's proposed changes to the type of data we collect, and do you have further comments?:

Yes

Question 3: Do you agree with Ofcom's proposed changes to the way we publish data, and do you have further comments?:

Yes
