

Question 1: Should Chorley FM be permitted to make its proposed changes to the key commitments of Chorley FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).:

Yes, the station should be allowed to make the change. The current key commitments are out of date and unreasonable to adhere to. Updated key commitments will allow the station to still proudly serve the community of Chorley and produce much higher quality programming.
