

*Q1. Should Chorley FM be permitted to make its proposed changes to the key commitments of Chorley FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).*

Yes as we feel the radio station still will serve its original target group but will also be able to have a wider impact and promote a more equal community in Chorley were everyone is seen as the same.
