

*Question 1: Should Chorley FM be permitted to make its proposed changes to the key commitments of Chorley FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).:*

Yes. We as an organisation have found that people directly benefit from the information we provide during interviews at the station. My personal experience of this has been when we have been on air and some listeners have phoned up to ask more specific questions about the help our organisation can provide.
