Yes

Additional comments:

Expression of interest:

Bolton FM has identified at least one potential partner and is currently in negotiation other partners are being considered.

The area to be covered is Bolton and Bury, two potential transmission sites have been identified.

Question 1: Do you agree that we have identified the objectives which the small scale DAB multiplex trial should seek to achieve?:

We agree that the objectives have been identified

Question 2: Are there any other questions or issues which the small scale DAB multiplex trial should seek to address?:

No however it is clear that other issues or outcomes not yet apparent will no doubt be discovered as part of the trial.

Question 3: Do you agree with our proposed technical licence conditions?:

Yes we agree

Question 4: Do you agree with our approach to non-technical licence conditions and requirements?:

Yes we agree

Question 5: Do you agree with our proposed approach to awarding trial licences?:

In general however it would be hoped that Ofcom would work with the applicants to identify and reduce or prevent interference with other services and that the ceasing of transmission would be a last resort.

Question 6: Do you agree with our proposals set out in this section in relation to final reporting obligations, the recovery of the equipment and the extension of trial licence duration?:

Yes we agree
