

Question 3.1: Do you agree that the modification to the Numbering Plan that we propose – which would prohibit direct or indirect revenue-sharing with callers and/or end-users by those who use 03 numbers – is appropriate and proportionate to address the conduct of concern that we have described in this document? If not, please explain why.

I do NOT agree because people should be able to use these services as international calls are very expensive.

Question 4.1: Do you have any comments on the draft modifications to the Numbering Plan that we are proposing, as set out in Annex 7? Where you disagree with any of the proposed modifications, please explain why.
