

Additional comments:

The authorisation of AM/SSB CB radio on the CEPT frequencies should be implemented at the earliest opportunity. It would be extremely useful if OFCOM would provide a date when the changes will take place (e.g 1 July 2014 or sooner if the regulatory process is completed ahead of that date).

Question 1:Do you have any comments on the drafting of the Proposed Regulations?:

The sooner implemented the better.

Question 2:Do you have any comments on the Regulatory Impact Assessment?:

No
