Additional comments:

Question 1:Do you agree with the proposed approach for spectrum management?:

YES

Question 2:Do you agree with the proposed approach for Business Radio assignments?:

YES

**Question 3:Do you agree with the proposal to allocate spectrum for Maritime and/or Land Search and Rescue use?
:**

YES

It would be useful for radio amateurs to have access to a simplex channel in the UK marine VHF allocation. This could allow intercommunications between maritime users and shore based stations. It could prove useful in certain safety roles and for equipment testing purposes.

Question 4:Do you agree with the proposal to make some spectrum not currently assigned to other applications available on a temporary for Amateur Radio use with these restrictions?:

YES
