

Present prices mean many small value stamps have to be held to ensure that we have added the few extra pence to enable the letter to have sufficient postage.

It would be a great help if it each price – both 1st & Second Class would result as follows:-

Weight 1st Class 2nd Class

| Small Lett | 1 st Stamp | 2 nd Stamp |
|--------------|---|---|
| A4 | Large 1 st . | Large 2 nd |
| Up to 250grm | Large 1 st + 1 st | Large 2 nd + 2nd |
| Up to 500 | Large 1 st + Large 1 st | Large 2 nd + Large 2 nd |
| Up to 1KG | Large 1 st + Large 1 st + 1st | Large 2 nd + Large 2 nd + 2 nd . |

Stamp values may need to change to suit.
