

**Jillian Dart**

**Dear Sir(s)**

**I am concerned at what might possibly a reduction in quotas for BBC drama and comedy output on Radio Four.**

**As one who is an avid Radio Four listener, I would be saddened if this were to occur as I find the mix of those, plus other absorbing programmes, to be about right as far as I am concerned. My days would be sadly lacking if these were to be reduced.**

**Yours faithfully**

**Jillian Dart**
