

Consultation response form

Consultation title	Proposed Guidance on protecting access to emergency organisations when there is a power cut at the customer's premises: Proposals for guidance on General Condition A3.2(b)
Full name	Brian Heslop
Contact phone number	[×]
Representing (delete as appropriate)	Self
Organisation name	
Email address	[×]
We will keep your contact number and email address confidential. Are there any additional details you want to keep confidential? (delete as appropriate)	Nothing
For confidential responses, can Ofcom publish a reference to the contents of your response?	Yes

Your response

Do you agree with the four proposed principles? If not, please give reasons. Please set out your comments on each of the principles separately.	No. The time of 1 hour is completely inadequate. Routine maintenance of power lines can result in the power being off for eight hours, never mind longer power failures
