

ANNEX 1

To:

**Politicians, Councillors,
Telecommunications and Professional
Decision Makers**

NOTICE IS SERVED:

Take notice that the warnings and objections contained within this document is intended to protect all citizens and their land but it is intended also to protect you. To warn you of your duty of care and to warn you of the possible consequences that are of your actions or omissions in regard to emissions of Non-ironising Electromagnetic Radiation onto privately owned land, facility and situated that is either in your possession or charge and either directly or indirectly under your control or management.

Failure to heed this notice has the potential to place you in jeopardy of being both criminally and civilly liable for any actions or omissions that cause harm or injury and damage.
