

## Your response

Question	Your response
<b>Question 1: Do you have any comments on Ofcom's proposals to make more frequencies available for restricted services?</b>	<p><i>Is this response confidential? – No</i></p> <p>No objection as long as they are not competing restricted services aimed at the Princess Royal Hospital Haywards Heath That additional restricted services do not cause signal interference within our listening area (Princess Royal Hospital Haywards Heath complex)</p>
<b>Question 2: Do you have any comments on Ofcom's proposed restricted service standard form Broadcasting Act licence?</b>	
<b>Question 3: Do you have any comments on Ofcom's proposal to issue existing extended duration SRSL licensees with a restricted service licence on a new frequency at the end of their existing licence term, should they apply for a new licence?</b>	
<b>Question 4: Do you have any comments on Ofcom's proposal to issue existing LRSL licensees with limited coverage frequencies (if available) at the end of their existing licence term, should they apply to renew their licence?</b>	<p><i>Is this response confidential? – No</i></p> <p>As long as if awarded a limited coverage frequency very good reception is received across the whole site</p>

**Question 5: Do you have any comments on these changes to our application process, as set out in the revised guidance at Annex 4?**

**Question 6: Do you have any comments on Ofcom's proposal to invite the Secretary of State for DCMS to consider making an order which would provide an exception for certain services from the need to hold a Broadcasting Act licence?**

**Question 7: Do you have any comments on Ofcom's proposed fees for restricted services?**

*Is this response confidential? – No*

For charity organisations the increase in fees is unwelcome especially if the cost of changing to a Limited coverage frequency is costly. Some sort of discount for a charity would be welcome
