## Your response

<b>Question 1: Should Radio Asian Fever CIC be permitted to make its proposed changes to the Key Commitments of Fever FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broad</b>	Yes. Fever FM has approached me and made a compelling case for the proposed changes to its key commitments. This change will enable Fever FM to fulfil a special community role during religious significance and cultural celebrations in a way that no other comparable community radio station in the area of which I'm aware can do.
