

Dear Sir/madam.

It has come to my attention that the radio station Fever FM have asked for the license to be changed during the Muslim month of Ramdhan. I have always listened to this community radio as they cater to all. However allowing them to change their license will only allow them to cater for Muslims during this month, I feel this is unfair on all others that listened to this radio. I ask as a regular listener to not allow this unfair change.

Many thanks.
