<p>Should Ofcom consent to Radio Fiza Limited making the changes it proposes to the Key Commitments of Radio Faza, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).</p>	<p>The Community Media Association agrees with Ofcom’s preliminary view that it is likely that the proposed changes to Radio Faza’s community radio licence would indeed assist the station to deliver enhanced ‘social gain’ objectives through the provision of sound broadcasting services to those individuals who are otherwise currently underserved by such services.</p> <p>We welcome that the basis of this request seeks to build and strengthen links between the South Asian community in Nottingham and wider minority communities such as the Eastern European community in Nottingham.</p>
