<p>Question 1 – Do you agree with our proposal to add the clarification paragraph, at paragraph 3.7 of this consultation, to the CLI guidelines? If you do not agree with this proposal, what are your reasons for this view?</p>	<p>No, because it will make life easier for scammers. I receive a lot of scam phone calls and I suspect that many of the Presentation Numbers are fake and are produced by a random number generator. I think a call should not be connected unless the Network Number and the Presentation Number are identical.</p>
