I 100% do not agree with the request to change. XS Manchester is a local radio station, and I feel it needs to stay like that. It's the best radio station in Manchester / North West. We lost XFM Manchester, and now it's likely that we'll lose XS Manchester.

It would be such a shame to lose this station. To me personally, it would affect me. I listen to the morning show, the drive time show, and also evening. There's no other station that I would listen to. All NW DJ's knowing their music, keeping you in touch with what's going on in Manchester, giving you the opportunity to listen to new up and coming local bands – there's no other station that does this.

As their ad says, 'The Radio Station For Manchester'.
