

## Your response

**Question 1: Respondents are invited to comment on whether they agree with Ofcom's preliminary view and to frame their views and responses with reference to, or in the context of, the statutory criteria in section 106(1A) of the Broadcast Act 1990 (as amended).**

I have just heard that XSManchester is potentially going to change its name and music that they currently produce.

The radio station produces some great music from local new bands and that will be lost. These new bands need XS as they voice to get heard and listeners to go out and support them.

Myself and others do not wish to lose our voice and hope that XSManchester stays just the way it is with top music, presenters and listener interaction.
