Question 1: Respondents are invited to comment on whether they agree with Ofcom's preliminary view and to frame their views and responses with reference to, or in the context of, the statutory criteria in section 106(1A) of the Broadcast Act 1990 (as amended).

Follows the sellout of XFM Manchester to become Radio X Manchester which is really London based with the Manchester DJs having been quickly discarded.

Ofcom is allowing conglomerates to systematically wipe out regional and local radio and replace it with content from London.
