

## Your response

**Question 1: Respondents are invited to comment on whether they agree with Ofcom's preliminary view and to frame their views and responses with reference to, or in the context of, the statutory criteria in section 106(1A) of the Broadcast Act 1990 (as amended).**

Changing XS Manchester will be a massive detriment. Currently it offers a great deal as part of the cultural essence of Manchester, it's playlist might not be mainstream but it speaks to the heart of the city. I love XS Manchester in its current form it's personality is unique, please don't allow it to become another generic station.....
