	<p data-bbox="810 450 1023 477">Confidential? – N</p> <p data-bbox="810 517 1377 725">Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p> <p data-bbox="810 804 1374 873">I write to oppose the creation of such a large area for the purposes of creating local content.</p> <p data-bbox="810 920 1374 1023">We can now see the impact of such a proposal with the proposed loss of our much loved local radio station Spirit FM.</p> <p data-bbox="810 1070 1385 1285">Spirit has been absolutely fantastic with local news and information. They have been very supportive of local events, especially charitable ones. Operating on local boundaries people can identify with gives them the ability to really focus on local community.</p> <p data-bbox="810 1332 1366 1547">It is bad enough to have local content reduced to three hours a day. However if then allowed to cover such a wide area, so that something has to be regionally significant, rather than locally significant to be covered, compounds the problem.</p> <p data-bbox="810 1594 1027 1621">Please reconsider.</p>
