

## Your response

Question	Your response
<p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p>	<p>I absolutely do not want Spirit FM to change. The contribution it makes to the local community is massive, it supports so many people/local business/charities etc. Personally, Spirit FM were amazing to myself and my husband when we were raising money for a local charity who had provided us with support after my 18 month old son died of cancer in 2013. It provides local news, weather and information of what is happening in the local community and all the team at Spirit gave my youngest son a wonderful work experience week where he learnt so much from them all.</p> <p>Please, please deny any changes to the current format.</p>
