If you do not agree, please give reasons.</p> <p data-bbox="810 712 1385 1099">I strongly do not agree that OFCOM should give approval as Bauer obviously have not conducted a proper audit into what the communities surrounding its local radio stations value and want to listen to. The people in the local community LOVE listening to their local radio DJs because they are actually LOCAL and show support, enthusiasm and care for the local events and activities that take place LOCALLY and they make it a joy to listen to their daily shows.</p> <p data-bbox="810 1140 1337 1312">If Bauer's plan goes ahead it would have a massive negative impact to the local community's charities, businesses and loyal listener base which it has worked so hard to build and create.</p> |
