<p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p>	<p>I am an avid listener of SpiritFM and have been since its first broadcast. If SpiritFM were to cease, thousands of daily listeners would be deprived of this great local radio station. Their totally dedicated team of staff and presenters wholly engage and embrace this community within West Sussex. It's programming directly supports our local community from the many small independent businesses that advertise to the many charities and fundraisers needing a voice, SpiritFM champions them all. Please don't approve this change.</p>
