<p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p>	<p>No I do not agree, I think that Bauer should not be able to take over these local radio stations to create a larger station.</p> <p>Please deny them any changes to Spirit FM and the other stations in order to keep the station local, the staff local and the content local. We do not want internationally known presenters. We will not listen and this will be such a loss for the community of sussex.</p>
