	<p>Confidential? – N</p> <p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p> <p>No I do not agree. I listen to Spirit FM to stay connected and in touch with local news, events and issues. This has been especially important during the lockdown period when listening to Spirit FM has kept the community connected. Hearing the familiar voices has really helped to reduce feelings of isolation.</p> <p>The presenters are all warm and care about the community they serve. They actually know the areas they are talking about. All that personal touch will be lost and I will most definitely tune out.</p>
