If you do not agree, please give reasons.</p> <p data-bbox="810 676 1382 920">No I do not agree. It is vital that Spirit FM and other similar local stations remain just that. Spirit FM is at the heart of the community. They provide us with local news and events. They support community projects. They are familiar faces and voices in the kitchen, on the school run or a family day out.</p> <p data-bbox="810 925 1382 1384">To our family they've been a source of fun. Supporting our daughter's fundraising for her friend when at the age of 5 she ran 5k. We love the competitions and the summer promotions for free ice cream. Lockdown has been fun every Friday with their quiz each week. As a teacher, they support our schools with countdown to Christmas and small talk. The list is endless and I'm sure that for some listeners the presenters are the company they crave when otherwise all alone. Please don't let this wonderful station be changed into a national clone. Spirit is special. Let's keep it that way!</p>
