<p>Local radio should be local not southern based as we love the presenters,the fact that they play new music as well as older music is great. Local news/travel/events are vital as are local business adverts.Then there is the great work all the presenters do for charitable causes!They have helped and are still helping people through bad times. Leave SPIRITfm as it is please</p>	<p>Confidential? – No</p> <p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p>
