## Your response

Question	Your response
	<p data-bbox="794 450 1011 479">Confidential? – N</p> <p data-bbox="794 517 1362 725">Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p> <p data-bbox="794 770 1369 1048">No, I do not agree that this approval should be granted. I believe that a local radio station needs to be based very locally and have presenters who are local to the area who understand the needs of those it serves. Spirit FM has done a lot for the community which has only been possible because of its targeted very local audience.</p>
