Question	Your response
	<p>Confidential? – No</p> <p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p> <p>Spirit FM has been our local radio station for the last 24 years. I have listened to them since day 1.</p> <p>They are the heart & soul of our community & over the years they have championed so many local good causes helping to raise thousands of pounds. They have an amazing knack of bringing the whole community together.</p> <p>The DJ's are all local people who know the area & the charities that they are supporting. They are like our extended family & they genuinely care about everything that they do.</p> <p>My 15 year old Autistic son wants to be a DJ when he is older & that is hugely due to the support that the amazing staff at Spirit FM show him. They are always happy to talk to him when he calls the studio or when out on location.</p>

I strongly oppose the proposed rebrand of the station & request that you deny the changes that Bauer are requesting / proposing. The need for local reporters, presenters, news, weather & travel updates is vital for our community.
