

## **Proposals to apply Code powers to Sibre Limited and Neutralone Limited**

Response from: Name Withheld

Dear Sir or Madam,

As a British citizen I wish to object to the proposal to give such extensive and far reaching EEC code powers to Neutralone Limited. Said company was only incorporated on 30 October 2019 thus Neutralone Limited has been running for 8 months\*. It only has one named director. There is no basis on which to judge the company's ability to undertake such works or to use such powers judiciously.

Similarly, Sibre Ltd was only incorporated in April 2020.\*\* Has only one director and no website.\*\*\*
