<p>Question 1: Respondents are invited to comment on whether they agree with Ofcom's preliminary view and to frame their views and responses with reference to, or in the context of, the statutory criteria in section 106(1A) of the Broadcasting Act 1990 (as amended).</p>	<p>I fully object!</p> <p>Back in May, Bauer said they 'keep Sam FM as standalone', strictly because 'Celador had renewed the license in December 2018' and wouldn't be appropriate to rebrand.</p> <p>This change in format right now, only 1 and a half month after The Breeze became Greatest Hits Radio obviously shows that Bauer in fact bluffs and tricks the audience into thinking they get to keep Sam FM, but in actuality, NO! Therefore, Bauer has committed "perjury."</p> <p>If Ofcom approves the format change, more job losses, loss of a local distinctive station and in fact, less choice for Bristol and the West; Hits Radio is already on DAB in the area.</p>
