Question	Your response
<p>Do you agree with our proposal to approve Sign Language Interactions' proposed emergency video relay service? If not, please set out your reasoning with particular reference to the Approval Criteria.</p>	<p>Confidential? – N</p> <p>Community Fibre would like to thank Ofcom for the work it has undertaken in publishing its approval criteria for the emergency video relay service and its proposal to approve Sign Language Interactions' service.</p> <p>Based on the information provided within its consultation document Community Fibre agrees with Ofcom's proposal to approve this emergency video relay service.</p> <p>It is not clear from Ofcom's consultation document whether Ofcom is currently considering any other video relay services for approval.</p> <p>For both resilience and commercial reasons Community Fibre would be concerned if Sign Language Interaction were the monopoly provider of video relay services in the UK.</p> <p>Further information from Ofcom on how it intends to attract additional organisations to seek the necessary approval to supply video relay services in the UK would be very much appreciated.</p>
