<p>Question 1: Respondents are invited to comment on whether they agree with Ofcom's preliminary view and to frame their views and responses with reference to, or in the context of, the statutory criteria in section 106(1A) of the Broadcasting Act 1990 (as amended), and in particular statutory criterion (d).</p>	<p><i>Not confidential</i></p> <p>I am disappointed to read that Bauer Media are requesting to change the output of 105.6 in Cambridge to a classic hits station for adults from a dance music station for teenagers and young adults. Not only does this leave Cambridgeshire without a service focussed on EDM and Urban music, but it also then triplicates the adult stations already offered by Star on FM and Smooth on AM, along with the adult focussed output of national services like Radio 2 and community stations like Cambridge 105.</p> <p>The move represents a severe reduction in listener choice, and I must voice my opposition in the strongest possible fashion.</p>
