Question 1: Should Ofcom exercise its discretion to consent to the application to vary the Winchester small-scale multiplex licensed area, with regard to the statutory and policy considerations set out in this document?	Yes. I listened to various stations on this multiplex whilst driving in the area, and would like to be able to do so again. I would rather have coverage in some areas rather than none at all at present, and it seems that the area to be covered is almost the same. Confidential? – N
Question 2: With reference to our impact assessment, do you agree with our assessment of the potential impacts of approving this application?	Yes Confidential? – N
