| <b>Do you agree with our proposal to implement the changes in the Universal Service Order by amending the definition of 'telephony services' in BT and KCOM's universal service conditions to remove the reference to facsimile transmission?</b> | No.<br>My family are all adult US citizens living in the UK since 2005. We rely on the FAX service to send our voting materials back to San Jose in California. They are rather antiquated and only accept postal ( v expensive ) and FAX ballots. Please do not remove support for FAX machines |
