**Your response**

Question 1: Do you agree with our overall approach to this review of the general conditions as set out in sections 2 and 3 of this consultation? Please give reasons for your views.: YES

Question 2: Do you agree with our proposed implementation period for the revised general conditions of 3 to 6 months following publication of our final statement? If you think a longer implementation period is necessary, please explain why, giving reasons for your views.: YES

Question 3: Do you agree with our proposals in relation to contract requirements? If you consider that we should retain the regime applying to contracts concluded before 26 May 2011, please explain why, giving reasons for your views.: YES

Question 4: Are there any other modifications to the proposed revised condition in relation to contracts requirements that you consider would be appropriate?: YES: adopt the 'TRUECALL' submission on publishing a register etc

Question 5: Do you agree with our proposals in relation to information publication and transparency requirements, including removing the separate condition relating to publication of quality of service information?: YES

Question 6: Do you agree with our proposal to replace the existing detailed requirements in relation to small businesses with a general obligation to ensure price transparency and to notify small business customers where the terms and conditions that apply to them differ from those that providers are required to comply with in relation to consumers?: YES

Question 7: Are there any other modifications to the conditions relating to information publication and transparency requirements that you consider would be appropriate?: YES: adopt ALL of the 'TRUECALL' submissions in their advice

Question 8: Do you agree with our proposals for updating the current conditions that relate to billing? In particular, do you agree with our proposals to extend the current protections for end-users in relation to billing so that they would apply, more generally, to fixed and mobile voice call and data services?: YES

Question 9: Do you agree with our provisional assessment that our proposals to extend the regulatory requirements for billing to fixed and mobile voice call and data services does not impose a disproportionate burden on industry? Do you have any further information on the likely costs of these proposals?: YES

Question 10: Are there any other modifications to the billing conditions that you consider would be appropriate?: YES: adopt ALL OF THE 'TRUECALL' SUBMISSIONS

Question 11: Do you consider that our proposed revised condition for complaints handling and access to alternative dispute resolution, together with our proposed revised code of practice on complaints handling, will improve the transparency, accessibility and effectiveness of communications providers' complaints handling procedures, and improve

access to alternative dispute resolution? If not, please give reasons, including alternative suggestions.:

Question 12: Do you have any other comments on our proposals in relation to complaints handling and access to alternative dispute resolution?: NO

Question 13: Do you agree with our proposals in relation to the codes of practice that communications providers are currently required to establish, maintain and comply with – including replacing these with direct obligations to make information available, where appropriate?: YES

Question 14: Do you agree with our proposals to introduce a new requirement for communications providers to take account of, and have procedures to meet, the needs of consumers whose circumstances may make them vulnerable?: YES

Question 15: Do you agree with our proposals to update regulation by extending the current protections for end-users with disabilities, which currently apply only in relation to telephony services, to cover all public electronic communications services?: YES

Question 16: Are there any other modifications to the proposed revised condition on measures to meet the needs of vulnerable consumers and end-users with disabilities that you consider would be appropriate?: YES

Question 17: Do you agree with our proposal to remove the condition relating to the provision of tone-dialling? Please give reasons for your views.: YES. TONE DIALLING CAN BE USED BY UNSCRUPULOUS COMPANIES/SCAMMERS

Question 18: Do you agree with the changes we are proposing to make in relation to the provision of calling line identification facilities, including the new requirements we are proposing to add? Please give reasons for your views.: YES. ABSOLUTELY AGREE. I RECIEVE MULTIPLE CALLS [ INCLUDING A RECENT SPATE OF 'NUMBER WITHHELD ] WERE THE ID IS CORRUPTED, THERE IS NO BEGINING '0', ETC. THIS MEANS IT IS VERY HARD TO IDENTIFY 'GOOD' FROM 'BAD' CALLS. ALL PHONECALLS SHOULD HAVE CALLER ID MADE PLANE : AND TELEPHONE COMPANIES SHOULD NOT BE EXPLOITING THIS BY CHARGING EXTRA -- ESPECIALLY WHEN IT DOES NOT WORK.

Question 19: Do you have any comments on our proposals in relation to the proposed revised general condition on switching?: NO

Question 20: Do you agree with our proposal to remove the current provision which expressly prohibits so-called 'reactive save' activity (in GC 22.15)?: YES

Question 21: Do you agree with our proposal to replace the current mis-selling provisions with rules that focus on the information that communications providers give to customers when selling or marketing fixed-line or mobile communications services? Please give reasons for your views.: YES

Question 22: Do you have any comments on the consequential changes we are proposing to make to the national telephone numbering plan, the premium rate services condition or the metering and billing direction?: YES

Question 23: Do you have any comments on our equality impact assessment?: NO

Question 24: Do you have any other comments on the matters raised by this consultation?: YES: ABOUT TIME.....
