

**Question 7: Do you have any comments on: (i) our proposed modifications to the Definitions and Interpretation section of the Numbering Plan? (ii) the other minor modifications we have proposed?:**

Please attend to the more significant errors that have remained uncorrected for some time:

01841 wrongly named 'Newquay', thus clashing with the real Newquay code of 01637.

01885 and 01886 seemingly transposed - Ofcom refers to 01886 as being 'Bromyard' but Bromyard in fact uses 01885.

016977 is missing but still very much in use!

Most of these mistakes have existed for a long time and were pointed out by respondents to your 2003 consultation:
