

**Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :**

No - definitely not.

I have received the Out and About leaflet today (29 August 2012).

I do not want my post to be delivered to my neighbour.

I also do not want to display a notice on my door stating this.

My mail is addressed to me at my private address and I do not wish my neighbour to receive any correspondence on my behalf.

**Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:**

**Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:**

Why have I only received this notice at my postal address on 29 August 2012 when all written responses are to be made by 5 pm on 24 August 2012?
