

Additional comments:

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

NO. It could be possible that the postman will have to call at 4 addresses to make a deliver of 1d packet/parcel. The original addressee, a neighbnour each side of that address and then back to the addressees home to leave a note informing them where their item is. This will delay the postman even more than Royal Mail's absurd policies already do.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

As above

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:
