

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

No - insufficient detail of who a neighbour is and no option to specify which neighbour.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

Probably not.

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

As above. I would be very happy for my post to be left with one of my neighbours, but not the other. Youu need to include the option to specify the alternative delivery address. Obviously this would need ot be next door or very close to the original
