

**Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :**

No. Most properties around me are rented; I do not know, or have reason to trust them. Additionally, having a publicly-visible sticker saying I wish to opt out is an invasion of my privacy, as the fact I don't trust my neighbours is visible to all.

**Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:**

I suspect there will be an endless supply of confidence engineering security issues that will be uncovered. After all, RM will be delivering \*to the wrong address\*.

**Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:**
