

**Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :**

NO! This is open to so much abuse & potential neighbour problems.1) Not all people have received a flyer informing them of the opt out option(I've asked around).2)If you opt out you get a sticker for your door,How long is this supposed to remain legible after a few downpours? 3)This sticker will make neighbours think that you do not trust them leading to animosity. 4)This will increase the amount of time it takes the postie to get around his round as he will have to knock on many more doors before leaving the notice left! 5)MOST IMPORTANT:- The option should be to OPT IN not OUT.Therefore people who did not get a flyer informing them of Notice Left changes will not get their packets delivered to neighbours that they may not know or trust.
