

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

yes

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

What constitutes a neighbour? What about gated developments or part gated developments. My development is made of 5 blocks where 4 have access from the street and one requires special access. Either way if a delivery is being made and the postie cannot get into a block would he/she leave it in an adjoining block? Or is neighbour strictly the flats next door within the same block. Happy to provide the example if you contact me

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

Not seen the wording as I came here directly from the Post Office website. Not sure where to find it without moving away from this form??
