

**Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :**

No

On one side we have a very unpredictable neighbour and relationships are difficult at the best of times. On the otherside we have good neighbours but they are in the process of moving. This proposal does not work well in such situations and we are quite cross that we have to publicly display a notice which states our preference, it will hardly help our difficult relationship should our neighbour come around at any time!

**Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:**

We think that this is a breach of our privacy.

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval
