

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

I do not think items sent as "Recorded Signed For" should be included in the scheme as this service is often used to record that the addressee or the organisation has received the letter and the date and time on which they have received it.

Often this timing has legal implications for both parties.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

No see 1. above

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

No see 1. above
