

**Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :**

No, see next question.

**Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:**

I do not want to put a royal mail sticker on the letter box, this information should be private. Also the letterbox is not mine, how are you accounting for properties with multiple occupants, some of which want neighbours to hold their post and some of which do not want their neighbours to hold their post.

The sticker idea has not been well thought out and there needs to be an alternative solution to opting out, the current solution is not satisfactory.

The scheme should be opt in, not opt out. Let people who want their neighbours having their post put stickers on their letterbox.

**Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:**
