

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

I do not agree to this proposal, I do not wish to indicate to my neighbours that I do not wish/trust them to receive my post. I do not see this as a valid opt out as I have to make continued positive steps to opt out.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

The responsibility for undelivered, stolen, or damaged items has not been clearly defined.

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:

No other options are discussed, ie later delivery of parcels after 7pm when most people are at home.
