

Question 1:Do you agree that Ofcom should grant approval to Royal Mail for the Delivery to Neighbour service? If not please explain your answer. :

this should be a specifically opt-in service in cases where explicitly agreed by the neighbours involved. We should not have to display stickers on our letterboxes either. Royal Mail should do their job properly and not just stick cards through when they can't be bothered to wait.

Question 2:Are there other consequences following the roll out of the service across the UK that we have not included in our assessment? If so, please explain.:

Question 3:Do you have any comments on the scope and wording of the proposed Notification and approval:
